BERGO ULTIMATE™

— A NEW GENERATION OF SPORTS FLOORING

BERGO FLOORING

Professional **ECO**-friendly
all-weather sport courts

UNISPORT 

UNINSPIRING & DULL SURFACES DON'T ENCOURAGE TO EXERCISE AND PLAY...

Obstacles

Image of reality. Uninspiring dull surfaces don't encourage people to exercise.

Especially not children and youngsters. In the digital era with smartphones and tablets, we need to make it fun and alluring to become more active.

The solution

Attract children and young people to be more physically active.

Accessible and inspiring activity spaces that encourages all people to sport and play with no need for booked training times.

The effect

HEALTHIER and HAPPIER children, parents, school and community.

Sporting leads to:

- Better health and better school results.
- Less screentime and interaction with other people, contributes to better **INTEGRATION** and **SOCIALIZING**.
- Better interaction between girl and boy, young and old, different socio-economic backgrounds.

**COLORFUL COURTS ENCOURAGE
PLAY, MOVEMENT & SOCIALIZATION.**

Worldwide • Integration • Sustainability • Health

WISH - an environmentally sustainable solution from Bergo that contributes to better health and integration, worldwide.

BERGO SPORTS FLOORING

ADVANTAGES

- Approved and certified by FIBA, EN14877 and ITF.
- Strong and easy mounted floors.
- Fast makeover/installation without tools. No chemicals or glue.
- Draining and ventilating - no puddles!
- Smart accessories: Line strips (50 mm) - less or no painting.
- Integrated expansion solution - allows the floor to move freely.
- Portable
- Long lifetime - 15 years warranty.
- No micro plastics, emissions or migrating particles during use or production.
- 100% recyclable.

BERGO ULTIMATE™ RANGE

SYSTEM
4

NEW

The Ultimate™ (System4-series) offers sports flooring with easy installation without hammer, 200% faster installation compared to many other floor tiles, integrated expansion solution and built-in lines. Less painting! Ultimate is available in two versions, Bergo Ultimate™ and Bergo Ultimate Plus™, specially developed to meet different needs.

Underside

BERGO ULTIMATE™, 375 x 375 x 12 mm
SYSTEM 4, ART NO. 113__95X

BERGO ULTIMATE™

Bergo Ultimate™ is an all-round sports tile for most sports.

Bergo Ultimate™ is tested and approved according to the important European standard EN14877 for outdoor floors. Bergo Ultimate™ fulfils ALL requirements.

The floor is an approved tennis court surface and classified by the ITF as "fast".

Please check out www.bergoflooring.com/product for the latest colour options!

Underside

BERGO ULTIMATE PLUS™, 375 x 375 x 12 mm
SYSTEM 4, ART NO. 113__96X

BERGO ULTIMATE PLUS™

Bergo Ultimate Plus™ is one of the strongest floor tiles on the market and is extremely load-resistant and a heavy-duty solution. Bergo Ultimate Plus™ is developed to handle the tougher sports such as inline hockey, roller skating etc.

FIBA
APPROVED
EQUIPMENT

Bergo Ultimate Plus™ is one of the few floor tiles in the world that has been tested and approved in all categories and is certified by FIBA.

Bergo Ultimate PLUS™ is tested and approved according to the important European standard EN14877 for outdoor floors and meets ALL requirements. The floor also passes the tests for "Rolling loads" (EN1569) and "Impact resistance" (EN1517).

The floor is an approved tennis court surface and classified by the ITF as "fast".

Line Strip Edge-piece is used with the Edge Strips as ending of a row with Line Strips.

Line Strips are used for making lines in different colours or/and making the court in the preferred size. Line Cross-piece is used as two lines of Line Strips intersect with each other.

EDGE STRIP 375 x 60 mm - By using Bergo Edge strips and Corner strips you will give the floor an attractive and safe finish.

BERGO MULTISPORT™

SYSTEM
1

Bergo Multisport™ is an all-round sports tile for most sports and activities. The Multisport™ (System1-series) comes with an external expansion solution, Bergo Expansion Strips, which also can be used as lines. They are also necessary for the proper functioning of the Bergo Multisport Floor. As an option, Bergo Multisport™ is also available in recycled materials.

BERGO MULTISPORT™ has been developed to withstand tough conditions; its multifunctional properties enable rapid draining of rainwater.

Bergo Multisport is also ideal for temporary installations such as special events, where you need to install and dismantle the floor quickly. BERGO is widely used for various sports tournaments.

By using Bergo Edge strips and corner strips you will give the floor an attractive design.

Expansion Edge is used together with the Edge strips as practical and attractive ending of a row with Expansion strips.

Expansion strips allow expansion of the floor material in varying temperatures. The Expansion strips can at the same time function as lines on the court.

Expansion Cross-piece are used as two lines of the Expansion Strips intersect with each other.

Lines and logos can also be painted!

Bergo Disassembly Tool Professional - quick and easy removal of the floor.

In case one tile is damaged one can change the individual tile by using Bergo Single Tile Replacement Tool.

DRAINING AND VENTILATING

Bergo Sports Flooring offers a perforated pattern and the underneath design allow excellent drainage capability, which will make the court dry quickly after rain. No puddles!

ADVANTAGES

- Withstand all climates and environments
- For indoor and outdoor use
- Easy to install - No chemicals, glue and tools.
- Easy to move.
- Requires minimal maintenance
- Ergonomic - easy on your back and joints
- Hot/cold reducing
- Excellent "stop and go" properties
- Correct friction
- Correct bounce over the complete court
- Very sustainable and durable
- Excellent drainage capability
- Ventilates the floor underneath
- All-weather court – dries quickly after rain
- Sound absorbing characteristics
- Ideal on worn asphalt or cracked concrete
- 15 years warranty

PLAYING AREAS

- Multi-sport court
- Basketball & 3X3
- Futsal/football
- Inline-hockey
- Practice area for off-ice/hockey
- Pickleball
- Badminton
- Tennis
- POP-tennis
- Volleyball
- Floorball
- Handball
- Field hockey
- Netball
- Aerobics
- Playground

BERGO FLOORING IS THE OFFICIAL SUPPLIER FOR:

- Lithuanian Basketball Federation
- German Basketball Federation
- Swedish Basketball Federation
- Danish Basketball Federation
- Norwegian Bandy Federation
- FIBA

BERGO MAKES PEOPLE PLAY!

BERGO is an ideal solution for on/off arrangements, such as special events, shows and exhibitions where you need to install and remove the flooring quickly. BERGO is widely used in various floorball and inline tournaments and recommended by several sports federations.

**BERGO SPORTS FLOOR QUICKLY TRANSFORMS
ANY FACILITY TO A SPORTS HALL**

HEALTHIER AND HAPPIER PEOPLE

SUCCESSFUL OUTDOOR COURTS CONSTRUCTION PROGRAM

Bergo Flooring is a proud sports flooring supplier to the large project when the Hungarian government and the National Handball Federation sponsored the project to increase the availability of sports and health in schools and public places. The public Bergo sport courts are widely used for any game and attracts to play!

BERGO ATTRACTS TO PLAY!

ONE FLOOR — ALL POSSIBILITIES

Uppsala Summer Zone

Bergo Sports Flooring transforms any dull area to an attractive alluring sports surface!

An impressive facility that Uppsala municipality offers its residents with seven attractive Bergo Sports Courts at Uppsala Summer Zone.

FAST, ECONOMICAL SOLUTION

Bergo Sports Flooring is easy to lay and can be placed on an existing surface without fasteners such as glue, screws or nails.

SUBFLOOR

Concrete or asphalt as sub ground is recommended, but Bergo Sports Flooring can also be installed on hard compressed sand / stone powder.

Bergo Geotextile
Hard compressed
stone powder 3 cm

Macadam 10 - 32 mm

Macadam 32-63 mm

Drainage Pipe

QUICK INSTALLATION

Bergo Sports Flooring can as an option be supplied as pre-assembled sheets or/and as single tiles, which means that the floor can be laid very quickly.

We offer complete systems including court markings, etc. Contact us for more details.

MINIMAL MAINTENANCE

BERGO requires virtually no maintenance. Normal floor care such as occasional wet cleaning, vacuuming and/or power hosing is usually all that is needed. The flooring system is without doubt a cost saving alternative to high maintenance floors/coatings.

Bergo Multifix

Bergo Multifix is a well-tested cleaning agent for heavily soiled Bergo floors. Most cleaning agents can be used to remove dirt, but some are especially suited for composites.

TEMPORARY FLOORS

Strong, flexible and easy mounted!

TIME OF INSTALLATION/PERSON
APPROX. 100 m²/h

BERGO SOLID™

Can be applied to difficult and insufficient areas such as sand, soil, grass and ice.

Suitable for: As subfloor for sport arenas. Protection of existing surfaces. Events on ice.

Outdoor events and concert venues. Warehouses and tents. Temporary parking lots, e.g. in connection with events. Temporary roads that also allows heavy vehicles (e.g. building/construction works).

- Weight/tile: 2.9 kg
- Weight/m²: ca 10,5 kg
- Colour: Black
- Temperature: -30 ° C to + 60
- U-value of units: 0,8 W/m²K
- Warranty: 5 years
- Fire Category: E_{fl}

SOME REFERENCES

ASSOCIATIONS ACTIVELY WORKING FOR SOCIAL CHANGE:

- Nothing But Net - A project through a fond from Swedish National Sports Association and Svenska Spel, with Swedish Basketball Federation, Bergo Flooring, Marty Sports and Unisport, that offered basketball for all and movement and making it possible for clubs around Sweden to renovate and create more inspiring outdoor basketball plans. Also, to give children and young people the chance to try and find the joy of playing basketball outdoors.
- Bonnier Hoops - Kista Centrum, Stockholm. The crimes during the summer holidays decreased and the combined Bergo basketball court and the cultural scene became an appreciated feature that gained the center to live up.
- There's a better way, New Zealand - The organization is working with keeping the kids out of the streets by pop-up 3X3 basket.
- GAME (Denmark) - A non-profit organization that works for social change through "street sports" and culture.
- 127 Summer Festival - The festival creates a place for positive meetings between everyone in society - associations, authorities and citizens - thereby contributing to increased integration while at the same time counteracting exclusion.
- Hoop Dreams - We are proud partner to Hoopdreams.se and ZON. A place for a change. The Bergo basket court was temporary installed at Kungsträdgården in the centre of Stockholm and was also a painted artwork by an artist. Various events at the court were arranged in the summer.
- Uppsala Summerzone , Sweden - As part of increasing the number of active children and young people and working for a more inclusive and equal leisure time, Uppsala Municipality opened the Uppsala Summer Zone with 6360 m2 activity areas for many different sports.
- Loka Heroes, Ludvika Municipality - Sweden - makes it possible for more children and young people to play basketball. They believe that basketball makes a difference in two of our society's biggest challenges - health and diversity.
- POP Tennis for all - powered by ESG - has a common goal together with its partners, to contribute to everyone, especially young people, being able to exercise for a better health.

*Good CSR project: Bonnier Hoops
- CRIME RATE down - 46%!*

Raw material

- Clean, non-hazardous materials* - No Bisphenols, No Phthalates/softeners
- Natural color pigments
- Our ECO-series has up to 100% recycled material

*Our Raw material is actually so good, that it is approved to be in direct contact with food (FDA-approved).

*To make sure our products are as good as we claim, we let the Governmental controlled Swedish Chemicals Agency review us and our products.

Recycle / Reuse

- Reuse the present product in new locations / 2nd hand market
- 100% Recyclable product
= material for new products
= circular economy
- Leaves no residues/particles after removal
- "Cradle to cradle-perspective"
- we will help customers to recycle.

Product in use

- No emissions/migrating microplastics during use
- Long lifetime
- Up to 15 years warranty
- Basically no need for added products/chemicals/glue, etc. for the installation

Production

- No harmful emissions during the process
- Electricity from clean energy sources, no coal/oil
- Great working environment:
 - Fair salaries
 - Code of conduct
 - No child labour
 - Union membership is encouraged
 - Proudly made in Sweden

Distribution

- Low weight, stackable product
= efficient transportation
- All packaging materials are 100% recyclable

THE ECO SERIES FROM BERGO. THE WAY TO A BETTER WORLD.

"After years of development with leading recycling companies, we have succeeded in producing a material which holds the same high quality as our other multifunctional composite flooring"

Bergo ECO-series is made of up to 100% recycled materials. The ECO range is available in several attractive colors. Our flooring is also 100% recyclable in the next step, and in the next, and can finally be used in district heating plants for warming up our homes, without environmentally harmful emissions.

"We are proud of being awarded by the Swedish Crown Princess for our environmental work!"
