

# Product survey about the Saltex BioFlex system

## THE SURVEY

- Saltex currently has 175 fields installed with the BioFlex infill
- Saltex conducted a survey to gather feedback from the users of our BioFlex fields in the Nordic countries
- In 1 week, the survey gathered 143 individual replies representing 71 different football clubs/venues, out of which 12 are FIFA certified stadiums.

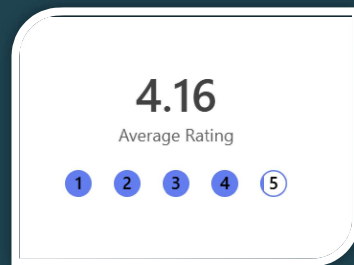

# THE RESULTS

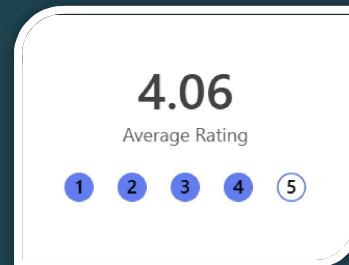

## Product review

Ratings from 1-5 (1= very dissatisfied, 2 = dissatisfied, 3 = neutral, 4 = satisfied, 5 = very satisfied)

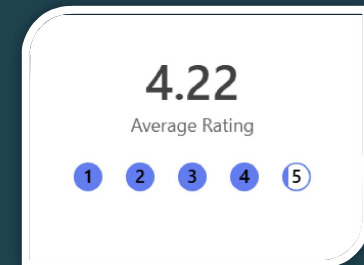

How would you rate the sports functional performance (playability) of your BioFlex field?

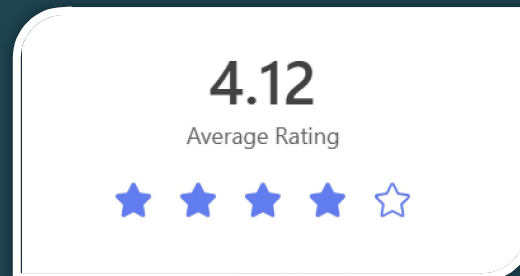

How would you rate the BioFlex field in comparison to other latest generation football fields you have used/played on?

Would you recommend Saltex BioFlex system to others? (1= very unlikely...5 = very likely)

How satisfied are you overall with your Saltex BioFlex field?

A vibrant green aurora borealis (Northern Lights) illuminates a dark night sky over a calm lake. The lights create a shimmering reflection on the water's surface. The background shows dark silhouettes of mountains and a starry sky.
